Dear Mr Bohoric:

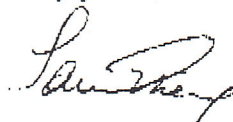

Thank you for your kind note of December 22, 1995.

The Goodyear team which was in Slovenia last week was very pleased with the work done during their visit.

I look forward to my forthcoming visit to Sava Kranj in early 1996 and certainly hope that we will be able to develop a relationship between our two companies which will be to our mutual benefit.

My best wishes for a Merry Christmas and a prosperous New Year to you, your family and your associates.

Sincerely yours,

S F Gibara
