Dear Janez:

It was a real pleasure to spend some time last week with you and your Sava associates.

I want to thank you for organizing this superb visit: From our initial friendly dinner on Thursday evening, to our joint call on the Prime Minister, and the fruitful work day on Friday, and ending up with the absolutely magnificent dinner at the Vila Podroznik, our time in Slovenia was productive, pleasant and well spent.

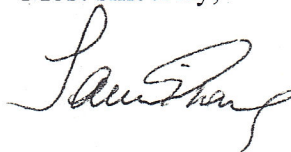

The visit, while short, gave me the opportunity to learn more about the Sava organization and confirmed what I had already been told -- you are leading a truly outstanding organization.

We will now work diligently to move forward in our joint endeavor to find a satisfactory conclusion to our current discussions.

Thank you again for your kind welcome and warm hospitality.

With all best wishes to you and to your team for continued success.

Most sincerely,

S F Gibara
