- Clay Orme - VP Global Product Supply
- Lowell Dunckel - Director European Tire Manufacturing
- Frank Hilder - Director General Product Manufacturing
- Frank Turner - Manager Facilities Planning & Oper Analysis
- Bruce Hanna - Manager Facilities Planning & Oper Analysis

These 5 people will visit Sava, arriving Sunday, February 11, at 12:40 PM on Adria flight #1617 from Frankfurt.

Dunckel and Turner will leave Slovenia on Tuesday morning. Orme, Hilder, Hanna will leave Wednesday morning.

Intent is to study site, buildings, site saturation and investigate potential layouts for possible Goodyear involvement in tires and engineered products.

Please handle transportation in Slovenia and hotels. Special social attention on Sunday is not required. Social activities for other days should be limited to non-work hours and are not required at all unless your prefer.

Thanks.

Yours with personal regards,

V L Dunckel

Dear Lowell,

We are very pleased that a joint tyre and engineered products facilities planning team will visit Sava early next week, prior to our visit to Luxemburg.

You will be picked up at the airport on Sunday, Febr. 11 at 12.40 p.m. and transported to the Holiday Inn Ljubljana where five reservations have been made. You will be picked from the hotel at 8.00 on Monday morning and transported to Sava.

I regret that the senior management group (Janez, Frank, Emil) and myself will not be available in Sava on Monday, but will be present on Tuesday morning and early afternoon. Late afternoon we depart to Luxemburg. In the absense of the senior management group we have assigned the following Sava associates as your counterparts:

Mr. Dušan Kveder	Director Tyre Plant
Mr. Stanko Cvenkel	Director Technical Products Plant
Mr. Janez Jereb	Director Engineering Dpt.

Additional Sava associates will be available to assist on an as needed basis.

We look forward to seeing you here next week.

Best regards
